

## **Project report format**

### **Introduction:**

A formal invitation is a formal letter addressed to a dignitary or prominent official inviting them to attend a particular event. This letter needs to be a well-formatted and formally written letter with proper information about the venue, date, time, ect. So that the chief guest can schedule accordingly.

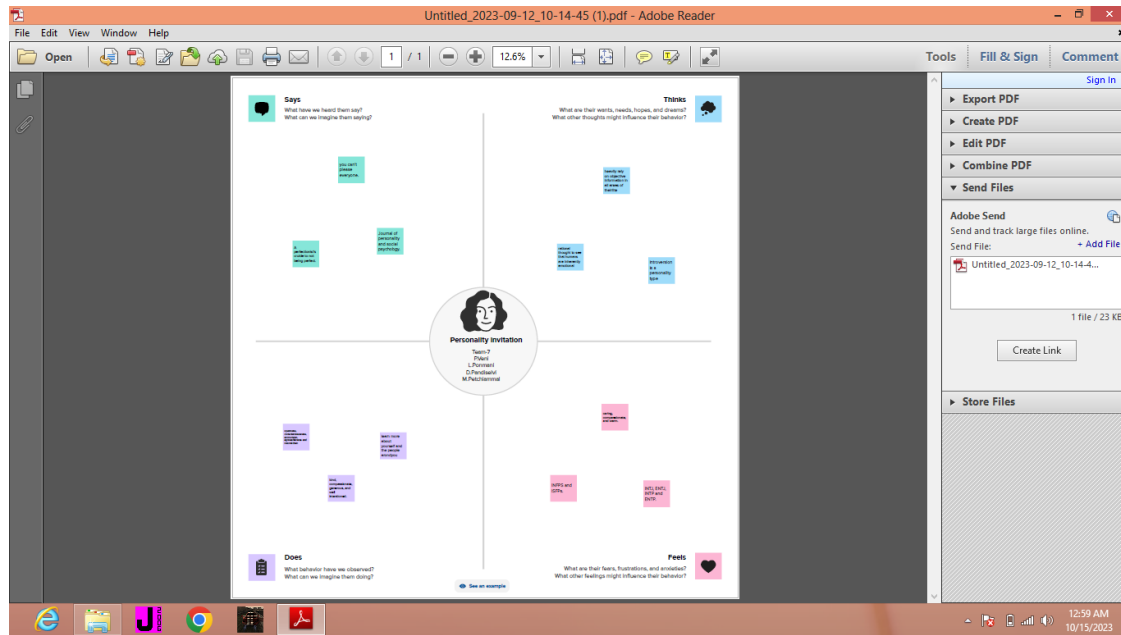

### **Purpose:**

A formal invitation is normally a single sentence presentation in their person. Formal invitations are generally printed invitation cards. We use them to invite guests on some auspicious occasion like birthdays, inauguration of shop, houses, etc.

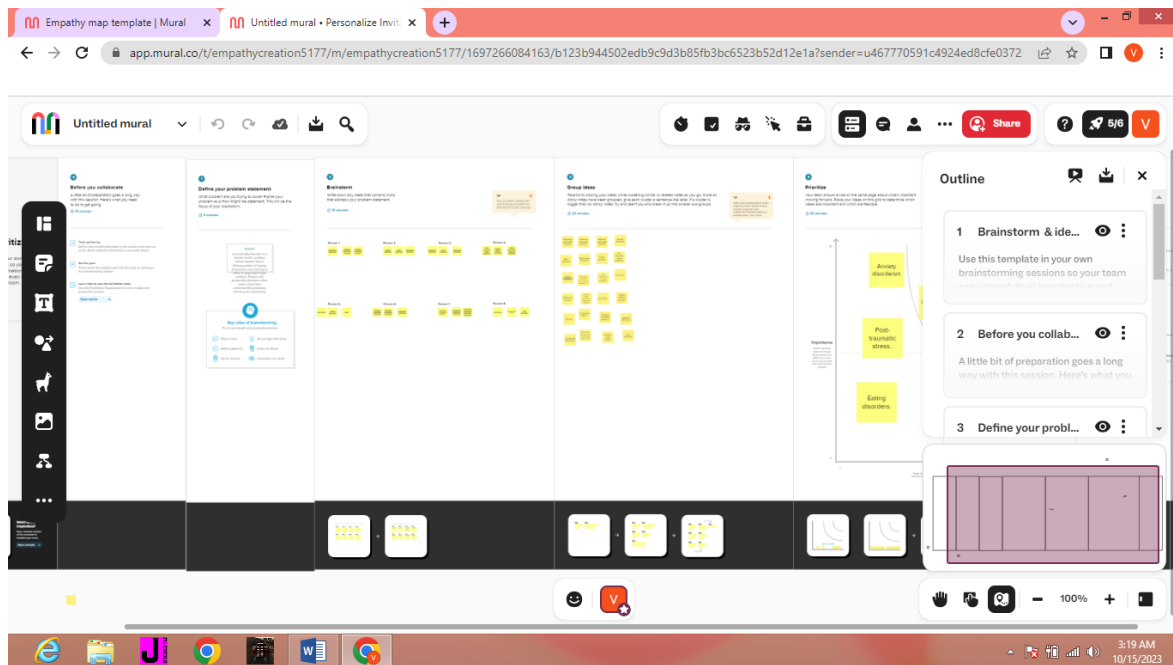

## **2. PROBLEM DEFINITION & DESIGN THINKING:**

A personality disorder is a dental health condition where people have a lifelong pattern of seeing themselves and reacting to other in ways that cause problem. People with personality disorders often have time understanding emotions and tolerating distress. And they act impulsively
